

The Divinatory History begins from True North and not just Arica - Archaeology independent of medium English thinking - Towards Pineal-Pituitary evolution.

The White or the Unani phlegmatic movement is not from Africa. Beringia and Doggerland are two places from Zealandia Danes quiet and loyal history. New Zealand is from Sundarland or Greek Mu or a place that once was near Oceania. Where Maori and similar Polynesian languages were spoken, as is the classification for Punjabi and Munda languages of India.

Then, Ogham script has been modified and the Rob McBrady taunted suppression of Irish stems from the proverb "Everybody gets a second chance and Old Ireland will be free" Paidre O'Connors book was adapted from Gaelic into The Dark Knight movie. Omm means the mind in Russian. Omotic languages exist also in Africa as do Nilo-Saharan Atlantic languages. The Theosophists of Russia still know of Senzar the lost language of Atlanteans. As did Edgar Cayce and the Indian tradition of Shikha keeping on the head (a piece of hair on the tip of bald head). This is Atlantian bents.

Hmong-Mien and Kra-Dian languages are influenced by Persian as is the only citadel of Chinese Muslims in Xinjiang was once a Persian tax-collecting fort.

Malta has monoliths from the Adriatic peninsula now gone and spoken of by U.G.Krishnamurti a Theosophist who died at Vallecrosia in Italy.

Gaelic not Celtic or Druid is nearer to the unblemished truth of non-Semetic Godheads. Cushitic Ethiopian is thus closer to India than Kenya when it uses a language that uses Barakadi of Devanagari alphabet even though it is very similar to Arabic and other Semitic languages and has the only sacred text of Africa in the Book of Physalgos with protection from Russian Orthodoxy.
